§ 2521.60 To what extent must my share of program costs increase over time?

Except as provided in paragraph (b) of this section, if your program continues to receive funding after an initial three-year grant period, you must continue to meet the minimum requirements in § 2541.45 of this part. In addition, your required share of program costs, including member support and operating costs, will incrementally increase to a 50 percent overall share by the tenth year and any year thereafter that you receive a grant, without a break in funding of five years or more. A 50 percent overall match means that you will be required to match \$1 for every \$1 you receive from the Corporation.

(a) *Minimum Organization Share:* (1) Subject to the requirements of § 2521.45 of this part, and except as provided in paragraph (b) of this section, your overall share of program costs will increase as of the fourth consecutive year that you receive a grant, according to the following timetable:

(b) *Alternative match requirements:* If your program is unable to meet the match requirements as required in paragraph (a) of this section, and is located in a rural or a severely economically distressed community, you may apply to the Corporation for a waiver that would require you to increase the overall amount of your share of program costs beginning in the seventh consecutive year that you receive a grant, according to the following table:
